# Living in York

York is one of the UK's most popular student cities. It has a fascinating history, as well as all the modern amenities you could need.

## Experience York

### Events

The city of York offers exciting events all year round, including exhibitions, music performances and festivals. With its wide variety of art galleries, museums, restaurants, cinemas and sports clubs, plus the York Theatre Royal and the Grand Opera House, there is something for everyone.

### Shopping

There's a great range of stores in York. You can explore popular high street outlets, designer shops and specialist stockists.

### Food

Try York's artisan food retailers, or visit the popular outdoor market for delicious fresh produce. The city is famous for chocolate, so be sure to take a tour of the York Chocolate Story museum.

### Sport

You can join over 60 sports clubs at the University of York, which has 2 sports centres. If you prefer being a spectator, don't miss the Tour de Yorkshire: a famous cycling event every April or May.

### Nightlife

Have a great night out with your new friends: visit one of York's many live music venues, or enjoy a student club.

### Outside the city

Some of England's prettiest landscapes are close by, including the Pennines, the Yorkshire Dales and the seaside town of Whitby. Trains to London take less than 2 hours, and the cities of Leeds and Manchester are also within easy reach, so start exploring!

# Getting around

The residences are conveniently located close to the University and within easy reach of the College, supermarkets, cafés and restaurants.

## Transport

### Buses

There is a dedicated free shuttle bus service for travel around the campus during term time. York's buses are an easy and convenient way to get around the city — they've even been named the best in England by an independent survey ([transportfocus.org.uk](http://transportfocus.org.uk))!

### Trains

York has great train connections to other UK cities. It is halfway between London and Edinburgh, and there are trains to Leeds and Manchester operating all day and throughout the evening.

### Taxis

The city also has a reliable taxi service, with taxi ranks located all around the city. They're great for short trips, or for when you have heavy luggage.

### Bicycles

You can quickly get around the city by bicycle. There are safe, dedicated bicycle routes that you can use.

# Useful information

You can find some helpful information below to guide you through your accommodation application.

## Accommodation Agreement

The Accommodation Agreement is a contract confirming the details of your accommodation. By signing your Accommodation Agreement, you are agreeing, under UK law, to pay for your accommodation for the full length of the accommodation contract.

## Accommodation confirmation

You must complete the required steps in order to secure your booking. If you fail to do so by the accommodation confirmation date, your agreement may be cancelled and your room given to another student to book. If your Accommodation Agreement is cancelled, and you tell us that you would still like to book Kaplan-arranged accommodation, you will be offered the next available room.

## Accommodation portal login

You'll receive your login details via email once you have accepted your study offer.

## Accommodation length change

You may not change your contract length after you have booked and signed your Accommodation Agreement.

## First payment

The first payment is to secure your accommodation along with the signed Accommodation Agreement. The £1,000 first payment is then divided into £250 for the security deposit and £750 towards your accommodation fees. Your security deposit will be fully returned when you move out of your accommodation. It will not be refunded if the room is damaged or left in bad condition, or if there are any accommodation penalty charges outstanding.

## Guarantors

A guarantor is someone who will be legally responsible for any accommodation fees you are unable to or fail to pay.

## Moving into your room

You will be able to move into your room from the start date of your contract, but only if you have sent us your signed Accommodation Agreement and first payment.

## Refunds

When your Accommodation Agreement is cancelled and you decide not to take another offered room, refund of any fees paid will only be granted in line with Kaplan International Pathways' Terms and Conditions, and may be subject to an administration fee being deducted. If you leave the College for any reason after you arrive, accommodation fees will not be refunded.

## Under 18s

The College will accommodate students under 18 years of age in a single-sex flat with other students under 18 years old. Students who are under the age of 18 on arrival in the UK may be asked to pay all their accommodation fees before they arrive, and are advised to stay in either Kaplan or university-arranged accommodation.

## Visa

If your visa application is unsuccessful, please send a copy of your visa refusal documents (or other evidence) to your Admissions Adviser for review. A decision will then be made regarding eligibility for refund in line with the company's terms and conditions.
