* UKVI IELTS alternatives: we can accept other tests as proof of English language. Learn more at: kaplanpathways.com/uk/ielts/

Academic entry requirements: for all course options above, you need to have completed high school at the required level.
For requirements specific to your country, select your preferred degree and pathway course from our online Degree Finder:
kaplanpathways.com/liverpool/ug-degrees

Your course length: this is influenced by your English language score that you submit as part of the admissions process. Soon after your course starts, we'll check your English and academic level again to make sure you're on the most suitable study plan, with modules that best fit your skills and goals.

Common modules taken by all students:
› English for Academic Purposes
› Extended Project

You will also take 1 to 3 of the following modules that fit your degree and career goals†:
› Business Organisations and Management
› Contemporary Global Issues
› Entrepreneurship
› Intermediate Mathematics
› Logic and Critical Thinking
› Mathematics
› People, Culture and Society
› Statistics

Students wishing to progress to an Architecture degree will also take:
› Creative Practice and Portfolio

> **Personal development activities:** during your course, you'll also have activities to build practical, digital and employability skills.
> **Learn more about modules:** you'll find module summaries later in this booklet.

> **Do you want to add an internship to your course?**
> You can take an integrated online internship as your final term, and gain additional career skills and experience before you start your degree.
> **Learn more:** see the next page for more details.

Extra support: for courses of over 2 terms, you will take additional modules from a selection of Enhancement and Extended English and Skills options (depending mainly on your IELTS score) before the modules to the left.

Students with at least UKVI IELTS 5.5: you can study a 2.5 or 3-term course that typically includes Enhancement modules to maximise your university preparation:
› Critical Reading, Writing and Reasoning for Higher Education
› Independent and Collaborative Study

Plus up to 2 of these 3 modules:
