1: 2-year degree

2: 3-year degree

Pre-Masters: Business with Law

1/2

On-campus courses

Minimum English level: UKVI IELTS score*	Course length	Course tuition	Course start	Course end	Additional course features
› Your on-campus Pre-Masters options for degree entry in September 2023					
5.5 overall with no less than 5.5 in any skill†	2 terms	£22,500	September 2022	May 2023	
			January 2023	August 2023	
5.5 overall with no less than 5.0 in any skill†	3 terms	£23,800	September 2022	August 2023	Integrated 1-term virtual internship
			November 2022	August 2023	0.5 terms of English for Academic Purposes
5.0 overall with no less than 4.5 in any skill†	3 terms	£26,280	September 2022	August 2023	1 term of Entry to Pre-Masters

Online courses

Minimum English level: UKVI IELTS score*	Course length	Course tuition	Course start	Course end	Additional course features
› Your digital Pre-Masters options for degree entry in September 2023					
5.5 overall with no less than 5.5 in any skill	2 terms	£14,000	September 2022	May 2023	
			January 2023	August 2023	
5.5 overall with no less than 5.0 in any skill†	3 terms	£15,300	September 2022	August 2023	Integrated 1-term virtual internship
			September 2022	August 2023	1 term of Entry to Pre-Masters

* UKVI IELTS alternatives: we can accept other tests as proof of English language. Learn more at: kaplanpathways.com/uk/ielts/

† Please note: courses leading to degrees at York Management School or York Law School have slightly higher IELTS entry requirements:

2.5 terms: 5.5 overall with no less than 5.5, in writing and 5.0 in other skills.

3 terms (without internship): 5.0 overall with no less than 5.0 in any skill.

Academic entry requirements: for all course options above, you need to have completed at least 3 years of higher education in a suitable subject.

For requirements specific to your country, select your preferred degree and pathway course from our online Degree Finder:

kaplanpathways.com/york/ipc-pg-degrees

Your course length: this is influenced by your English language score that you submit as part of the admissions process. Soon after your course starts, we'll check your English and academic level again to make sure you're on the most suitable study plan, with modules that best fit your skills and goals.

Pre-Masters: Business with Law

2/2

Common modules taken by all students:

- › International Business with Law
- › Introduction to Management
- › Language and Study Skills
- › Research Skills

Extra support for 2.5-term courses: you will also take a 5-week English language module to give you additional preparation for university:

- › English for Academic Purposes

Extra support for 3-term courses without internship: you will also take an Entry to Pre-Masters module to give you additional preparation for university:

- › English for Academic Purposes

Do you want to add an internship to your course?

You could take an integrated online internship as your final term after the modules above. It's a great way to develop your English in a professional setting, and to build career skills and real-world experience related to your degree, all while still on your pathway course.

Learn more: you'll find summaries of course modules and the internship later in this booklet.

Postgraduate module summaries

Contemporary Issues in Society

Develop understanding of political and social issues, including perspectives related to education and the media.

English for Academic Purposes (0.5-term English Language Pre-Sessional)

This module aims to develop your English language ability, and will give you an introduction into academic English and the study skills that you will need to be a successful student.

English for Academic Purposes (1-term Entry to Pre-Masters)

Learn English language skills in an academic context, and improve your writing and speaking skills.

International Business with Law

Achieve a broad understanding of the international business environment, including its financial and legal aspects.

Introduction to Management

Understand the functions of management within a practical context.

Language and Study Skills

Develop your academic language in reading, writing, speaking and listening, using a range of media. Improve your study skills to become a more independent learner.

Mastering the Social Sciences for the 21st Century

Develop knowledge and understanding of the social sciences that will give you the confidence to be successful in your future postgraduate study.

Mathematics for Postgraduates

Learn key differentiation and integration techniques, and study limits, sequences and series, equations of lines, planes and surfaces, and double and triple integrals and vector calculus.

Research Skills

Develop your design, organisational and critical thinking skills to conduct your own research project and evaluate the work of others.

Statistics for Postgraduates

Learn methods of probability and statistics, experimental design and sampling, and develop data handling skills.

Online internship

You'll take an online work placement as your final term if you study a pathway course with integrated internship.

The internship is offered in partnership with Virtual Internships, a leading education company in the field. This gives you the chance to gain valuable work experience at one of 3,500+ companies around the world.

You will be assigned one of 18 career fields on your internship, based on your chosen progression degree. This will all help you develop important skills, practise your English and give you some great experience to add to your CV.
